

**Master Your Business Finances & Eliminate Risk. Stay IRS-compliant, avoid costly penalties, and get expert bookkeeping and payroll support tailored to your needs.**

## SERVICE OVERVIEW

Maintaining accurate financial records and ensuring full compliance with tax regulations is critical to the health and success of your business. Our Managed Bookkeeping and Payroll Services are designed to provide you with total peace of mind, allowing you to focus on running and growing your business — not getting buried in spreadsheets and tax forms.

We take a comprehensive, personalized approach to managing your books, ensuring every financial detail is handled professionally, efficiently, and in accordance with all applicable laws and best practices.

### **Complete Cleanup and Setup of Your Books**

We thoroughly clean up any existing bookkeeping issues and set up your system correctly from the ground up. We ensure your financial records are organized, compliant, and ready to support your business goals moving forward.

### **Full-Service Bookkeeping and Payroll Management**

We handle your day-to-day bookkeeping needs as well as payroll processing for your employees. From categorizing transactions to issuing paychecks and handling payroll tax deposits, every financial obligation is covered.

### **Regular Tax Law Updates and Compliance Guidance**

Tax laws change frequently. We monitor new regulations and changes at the federal, state, and local levels and provide timely updates to keep you informed and protected from costly compliance mistakes.

### **Ongoing Financial Reviews and Strategic Meetings**

We meet with you regularly to review your financial reports, discuss key metrics, and help you make informed decisions about budgeting, investments, and business growth opportunities. We don't just record your numbers — we help you use them.

### **Preparation and Filing of Payroll Tax Returns**

We prepare and file all required payroll tax returns accurately and on time, reducing your risk of penalties and ensuring you remain compliant with IRS and state agency requirements.

### **World-Class Customer Support for All Finance-Related Questions**

Our team is here whenever you need us. Whether you have a simple question about a transaction or a complex concern about tax strategy, we provide expert advice and clear answers — no waiting, no confusion, no runaround.
