

Defend Your Rights in Tax Disputes & Litigation – Expert legal representation to fight IRS audits, appeals, and litigation while protecting your financial future.

SERVICE OVERVIEW

A tax dispute can arise from an audit, an administrative appeal, tax litigation before the U.S. Tax Court, criminal tax investigations, or collection disputes involving IRS debt. Whether you're facing an IRS inquiry, penalties, or collection actions, you need an experienced tax attorney who understands the system and can approach tax matters from multiple angles.

Our tax litigation and defense practice is designed to help clients resolve complex tax disputes efficiently. As your legal counsel, we guide you through every stage of the process, from the initial notice to court proceedings, while providing practical advice and strong defense strategies.

We also negotiate with the IRS Collection Division on payment arrangements and other resolutions to protect your interests. Whether fighting for penalty abatement or securing a favorable settlement, our firm provides diligent, cost-effective representation for individuals, entrepreneurs, small business owners, and professionals.
